

## Dear Friend,

As you may know or may not know, **Herve Leveillee**, of **Leveillee Sign & Design** in Cherry Valley, suffered a stroke in December 2003. The disabilities he incurred following this life-changing event have forced him to close the business he'd worked his life to build, and he and his family are now in a position of hardship.

In order to allow them to focus on what's really important – Herve's long struggle for recovery – we are planning a **Celebrate Life!** Benefit in his honor and we need your help.

The event we've planned will be a cocktail hour and dinner with dancing, plus the opportunity for attendees to win prizes during the evening's raffles and live auction. Please assist us in making this event a successful one by participating in one or more of the following fundraising drives:

### **Ticket Sales** – I would like to purchase **Celebrate Life!** Benefit tickets.
